ROCK ISLAND COUNTY - Land Pollution Control  
East Moline/John Deere Foundry  
Permit No 1975-48-OP

John Deere Foundry  
Highway 84 at 14th Avenue  
East Moline, Illinois 61244

Gentlemen

Permit is hereby granted to John Deere Foundry to operate a solid waste disposal site consisting of 145 acres in a portion of the W $\frac{1}{2}$ , Section 29, and the E $\frac{1}{2}$  of Section 30, T 18N, R 1E, Rock Island County, to handle non-putrescible, homogeneous foundry solid waste all in accordance with the application and plans prepared by Clarence H. Savery, P.E. Said application consisting of 8 pages plus attachments dated June 23, 1975 and received by the Environmental Protection Agency on June 27, 1975, said plans consisting of 1 page received by this Agency on June 27, 1975, and final upgrading plan consisting of 1 page, received by this Agency on August 9, 1975

The permit is issued subject to the standard conditions set forth on Page 2, attached hereto and incorporated herein by reference, and further subject to the following special conditions:

- 1 Security fencing requirements of Rule 314(c) are hereby waived in lieu of security fencing around the entire property
- 2 Cover requirements of Rule 305 are hereby waived
- 3 Monitoring requirements of special condition No. 3 on the Development Permit are hereby waived, except that the Agency reserves the right to require the installation of ground water monitoring, if deemed necessary, at a future date

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY

C. E. Clark, Manager  
Permit Section  
Division of Land Pollution Control
